

Huskie SL-BC610

15 Ton Streamline Compression Tool

## www.spartacogroup.com

# Specifications Output 15 Ton Weight 20 lbs. with Battery Size 23"L x 3.5"H x 4.5"W Jaw Opening 2"

Crimping Estimates	
	BP-84
1000 MCM Cu	50

Connector Range	
Aluminum	#8 AWG - 1250 MCM
Copper	#8 AWG - 1500 MCM
Н-Тар	Up to 750/750

## **Optional Accessories**

PU-15 "U" Die Adapter

#### **Features**

- Utilizes "P" Type Dies
- Tested Up to 75kV
- Open C Head Design
- Rotational Head
- Rapid Advance
- Bright White, LED Lights for Working in Low Light Conditions
- Audible Bypass when Predetermined Pressure is Achieved
- Protective Rubber Boot on Head
- 5 Year Warranty on Tool, Battery & Charger

PU-15
"U" Die Adapter

HT61-Series

# **HuskieToolFacts**

The **SL-BC610** is built on a similar platform as our SL-BND tool, the most robust and versatile streamline tool in the industry. The new SL-BC610 will deliver 15 tons of compression force, utilizing all industry standard "P" dies. The capacity of the tool is the same as the REC-3610, capable of accepting lugs up to 1500MCM copper and 1250MCM Aluminum. The new housing design incorporates a rubber over-mold handle grip as well an optional handle allowing the operator better tool control.

The new 6 series battery operated tools with "B" designation are Bluetooth enabled products.

These tools are able to communicate data to your Bluetooth enabled PC via the downloadable software available on Spartaco website.

In addition to the audible beeps and visual Led indicators on these tools identifying battery connection, full compression cycles, proper achieved pressure, and incomplete crimps, the tools also record data to be viewed later via the Bluetooth connection at you PC.

The data includes locked fields for model and serial number of the tool connected. It has cycle count data, and it has fields for read / write capabilities for the user to enter notes such as truck or job number, repair history, or any note the user or maintenance technician may feel important to record.

Complete operation instructions as well as the downloadable computer software is available at: www.spartacogroup.com
